MISSION STATEMENT

Randolph School is an independent college preparatory school that challenges students to pursue academic excellence, develop strong character, and embrace lifelong learning. Grounded in a culture of honor and integrity, Randolph prepares students to thrive in college and lead lives of purpose and impact.

COLLEGE COUNSELING PHILOSOPHY

We believe the best college is the one that is the best fit. Through a student-centered process, we guide students toward colleges that match their academic, social, and financial needs, ensuring a thoughtful and successful transition from Randolph to higher education.

Randolph School holds dual accreditation from SAIS and Cognia, and is a member of the National, Southern, and Alabama Associations of Independent Schools; the National and Southern Association for College Admission Counseling; The College Board; the National Honor Society; the Cum Laude Society; and the Global Online Academy.

GRADUATION REQUIREMENTS

The academic year is divided into two semesters. Students need 23.5 Carnegie Units to graduate from the Upper School. Freshmen through juniors are required to take six classes, seniors are required to take five with the option of an overload.

current course
listing [here](#).

AP SCORES

At Randolph, we thoughtfully limit the number of Advanced Placement (AP) courses a student may take to ensure a balanced and purposeful academic experience. Beginning in Fall 2025, all 10th graders take AP Seminar to fulfill their English 10 requirement, introducing them to college-level research, writing, and presentation skills.

In 11th grade, students may take up to three AP courses, while 12th graders may take up to four. Students wishing to take an additional AP course beyond these limits may submit a petition for consideration.

OUR STUDENT EXPERIENCE

26 varsity teams playing **16** sports

79% of our Upper School students participate in at least one sport, with **35%** playing more than one.

In the 2025-2026 school year, students earned a state title in Swim & Dive, **2** individual state championships in Swim & Dive and Tennis Doubles, and **4** students will pursue their athletic endeavors in college.

The Upper School presents **2** major theater productions each year. Students can also participate in band or choir, or enroll in courses such as art history, painting, drawing, two-dimensional and three-dimensional art, ceramics, photography, and theater.

Randolph offers a robust AP program for juniors and seniors, providing opportunities to develop and present their design portfolios. Regardless of the artistic path they choose, students gain a deeper insight into themselves and a heightened awareness of the creative forces that shape our world and its cultures.
